6/1/14 4:00 PM	Outgoing	To: 7746788888 Conrad Roy	And maybe you shouldn't try so hard. Just let it come naturally. Not everyone is gonna like you, you have to realize that. You can't please everyone. Just live your life not worrying about what people think of you and keep the people who do like/love you and care about you close, because they are the only ones who matter	Michelle	SMS Messages
6/1/14 4:00 PM	Outgoing	To: 7746788888 Conrad Roy	And really like what?	Michelle	SMS Messages
6/1/14 4:04 PM	Incoming	From: 7746788888 Conrad Roy	Yeah I've heard it many times, I don't know how to believe it though, I want to be like normal but what I learned is that I have to accept who I am. so I	Michelle	SMS Messages
6/1/14 4:04 PM	Incoming	From: 7746788888 Conrad Roy	don't get depressed about who I'm not	Michelle	SMS Messages

6/1/14 4:10 PM	Outgoing	To: 7746788888 Conrad Roy	I know what you mean like I try to make everyone like me too. To be honest I don't even have like a friend group or anything that I hang out with, I'm just like friendly to everyone and I don't really hang out with people alot outside of school. But I know who my friends are and I know they love me as much as I love them. I know u have certain friends that love you too and support you, and if u don't then you will find them. But I'm so happy that you realized that Conrad that's great and so important. Like you're absolutely right. If u don't love yourself and accept yourself for who u are, then no one will. This is the first step in getting people to like you. If your confident with yourself and can accept who you are, then all the people who don't accept you can go suck a fat one because u don't need them in your life	Michelle	SMS Messages
6/1/14 4:12 PM	Outgoing	To: 7746788888 Conrad Roy	You are normal, you just have a harder time talking to people. Its not a bad thing and you'll fix it in time. But being different isn't a bad thing. I'm different haha and I have issues but I can aaccept that because it's who I am	Michelle	SMS Messages
6/1/14 4:15 PM	Incoming	From: 7746788888 Conrad Roy	you don't like compare yourself to others ? because I do but I can't help it	Michelle	SMS Messages
6/1/14 4:16 PM	Outgoing	To: 7746788888 Conrad Roy	No I do all the time	Michelle	SMS Messages
6/1/14 4:17 PM	Incoming	From: 7746788888 Conrad Roy	like what do you think about it	Michelle	SMS Messages
6/1/14 4:21 PM	Outgoing	To: 7746788888 Conrad Roy	Well I compare myself in a different way than you probably. But I like compare my body to theirs and stuff because I'm obsessed with like body image. Like I get really jealous of skinny and fit girls. But I also compare myself I guess to like my friends and people I know yeah. I think "why can't I be as pretty and funny and smart and stuff as them" and "why don't people wanna hang out with me" because like people tell me they love me and they'd wanna hangout but they never make an effort to. So I always think like "why am I not good enough"	Michelle	SMS Messages
6/1/14 4:39 PM	Incoming	From: 7746788888 Conrad Roy	exactly, like people are my "friends" but never ask me to hang out. and if I ask the people to hang out I feel it would be awkward and I just don't try t	Michelle	SMS Messages

6/1/14 4:51 PM	Outgoing	To: 7746788888 Conrad Roy	Yeah I know exactly what u mean haha we are very similar this is like the story of my life. Like yeah I have "friends" but they never really ask to hangout. Like some do occasionally but the majority of the time they don't. And yeah I feel like if they wanted to hang they would ask. I say that all the time but sometimes u just gotta face your fears and ask. I've asked lately and it surprised me like people do wanna hangout. Sometimes they feel the same way about asking you. So you should try! The worst they will say is no. But I understand completely why it's hard and upsetting. You feel alone and like no one likes you I get it. I feel that way a lot, like no one cares. But people do care about you Conrad. You know that. So try asking someone to hang out, go to a Sox game or something fun. I'd go to a game with you if you want. Like I'd honestly hang out with you whenever, all you got as do is ask. And you left Fitchburg? You were so excited to go? Why was it uncomfortable?	Michelle	SMS Messages

6/1/14 5:14 PM	Outgoing	To: 7746788888 Conrad Roy	You only feel that way and do that to yourself because you don't put yourself out there. Accept who u are and let it shine. Show them who you are, they'd like you. By being shy and quiet , they obviously think you're not confident and boring. You gotta speak up and have fun, be yourself. They'd like you	Michelle	SMS Messages

6/19/14 5:00 PM	Outgoing	To: 7746788888 Conrad Roy	I didn't know you liked me that much before and I'm so sorry that I ditched you a lot. I should of realized what I had when I had it. The reason why I ditched you so much was because I honestly thought you were too good for me. I didn't think I was pretty enough or smart enough or anything that you wanted in a girlfriend. I just didn't think I was enough for you, I thought you deserved better. So ditching you was my way of trying to make u move on because I didn't want to hurt you, and I wanted you to find someone better. But I realized how fucking stupid that was and it made me realize how much I messed up. You made me so happy Conrad for like the first time in my life. Being your girlfriend was everything I've wanted and more, I just took it for granted and I'm sorry. You were the first boy who made me feel loved, and important, and visible. And I want more than anything, for you to be in my life forever. You're one of the best things that has ever happened to me. You still make me so happy and so proud and I want you to know that I'll never give up on you, even when u give up on yourself, I'll still be fighting for you. Always. I know you don't wanna date again, but I'll always love you	Michelle	SMS Messages

7/1/14 8:57 PM	Outgoing	To: 7746788888 Conrad Roy	Okay but babe you can't smoke all the time and only love yourself when you're high. Its not realistic and its not gonna get you any better. You're only happy because you're not yourself for like how many hours because you're high and have no idea what's going on. You block out your problems and worries for a short time, but when you wake up, reality sets in again. Smoking isn't gonna be the thing that saves you and gets you better. Yeah it may help you feel better, but it's not a solution to your issues. Its a temporary fix, not a lifetime cure	Michelle	SMS Messages

7/1/14 9:17 PM	Outgoing	To: 7746788888 Conrad Roy	Smoking takes 6 minutes away from your life, so every time you smoke, that's 6 minutes less that you get to be alive, 6 minutes less that you have a chance at getting better, 6 minutes less that I get to spend with you. Smoking messes up your brain, your heart, and your lungs. I know you feel great and happy when you smoke, but it's actually doing you more damage. You just need to find something healthy that makes you feel just as good	Michelle	SMS Messages

7/2/14 9:11 AM	Outgoing	To: 7746788888 Conrad Roy	Okay well of course your family is gonna grieve you. I mean whenever people lose someone they love, they give them and are hysterically sad for a good month. But then it gets better, and they won't be as sad. They will always remember you and good times and memories. Your mom will definitely be sad and lost for a few weeks, but she will get better and she has support from family and friends. She will know that you just wanted to be happy, and instead of crying for you, she will smile, knowing that you're in a better place. Your parents are not failures and they will not think they are. They tried everything they could, but your issues won. Yeah they'll probably blame themselves for a while, but they will get over it and learn to accept it. They will live for you, just like I will. They will be okay I promise. I'll even call your mom every now and then to check in	Michelle	SMS Messages
7/2/14 9:15 AM	Outgoing	To: 7746788888 Conrad Roy	When my Grammie died, my grandfather felt like he got hit by a truck. He was so sad for a while, but now he's better. He's happy and moving on, keeping her in his memory forever. That's what your parents will do. They love you, and that love will never die. "Love is how you stay alive even after you are gone". You're spirit and memory will never die, you might be gone, but we will always remember you	Michelle	SMS Messages

7/4/14 12:46 PM	Outgoing	To: 7746788888 Conrad Roy	The only way to do that, is if you do it successfully and not fail. Or if you do it somewhere no one sees and fail. But honestly, if you don't wanna go to the hospital, you need to do it successfully. But you have to know that the hospital isn't the end of the world. Maybe you just went to the wrong one. If you fail and end up needing to go to one, go where I went, McLean hospital. But you should try as hard as you can not to fail at all and just do it if you want it so bad	Michelle	SMS Messages

If you really want this Conrad, you'll try hard and just do it. But you have to fight to keep the bag on and try your best not to vomit. Its all up to you	Michelle	SMS Messages

7/5/14 11:59 PM	Outgoing	To: 7746788888 Conrad Roy	You can't throw up you have to try your best not to. And if you do, you have to make sure you take enough so you still have some in you...if you take all the Tylenol and then benedryl you'll fall asleep so you won't throw up	Michelle	SMS Messages
7/6/14 12:00 AM	Outgoing	To: 7746788888 Conrad Roy	But you better not be lying to me and saying you're gonna take all of them and say in the morning that it didn't work because you threw them up	Michelle	SMS Messages

7/6/14 12:03 AM	Outgoing	To: 7746788888 Conrad Roy	I know if you don't do this now, you're just gonna keep spending everyday in negative thoughts researching ways to kill yourself and thinking about it. So it's now or never, or you get help. It's your choice	Michelle	SMS Messages
7/6/14 12:04 AM	Incoming	From: 7746788888 Conrad Roy	so talk me through the whole process again. we can play simon says. and I'll do it	Michelle	SMS Messages

7/6/14 12:06 AM	Incoming	From: 7746788888 Conrad Roy	like I take the sleeping pills first wait awhile then the Tylenol ?	Michelle	SMS Messages
7/6/14 12:08 AM	Outgoing	To: 7746788888 Conrad Roy	I'm not telling you to do anything. Its up to you to tell yourself to do it. But yeah, if you take like 4 benedryls, you'll fall asleep in like 15- 20 mins. So I'd take those, wait like 10 mins, then take all the Tylenol, more than last time if you want this to work. Then idk if you wanna do the bag or not but then I'd tape the bag and then you should fall asleep not long after	Michelle	SMS Messages
7/6/14 12:12 AM	Outgoing	To: 7746788888 Conrad Roy	There's never a right time to do something. The time you have now will be the best right time you'll ever have	Michelle	SMS Messages
7/6/14 12:12 AM	Incoming	From: 7746788888 Conrad Roy	Yeah the bag isn't even necessary at this lint it's over kill	Michelle	SMS Messages

7/6/14 12:13 AM	Incoming	From: 7746788888 Conrad Roy	first I'm gonna load up on all the sleeping pills I have, wait 30 minutes and then take all the Tylenol and hopefully pass out and die in my sleep	Michelle	SMS Messages
7/6/14 12:15 AM	Outgoing	To: 7746788888 Conrad Roy	No don't wait 30 mins! You'll fall asleep before you even take the Tylenol. And don't take all the sleeping pills because that doesn't even work. Benedryl is the best one you can take, and take like 7 or 8 of them, then wait 10 mins and take the Tylenol	Michelle	SMS Messages
7/6/14 12:17 AM	Outgoing	To: 7746788888 Conrad Roy	Don't load up on the sleeping pills because then you won't have room for the tylenol	Michelle	SMS Messages
7/6/14 12:17 AM	Incoming	From: 7746788888 Conrad Roy	Oh I have plenty of room	Michelle	SMS Messages
7/6/14 12:18 AM	Outgoing	To: 7746788888 Conrad Roy	Okay well I'm telling you what will work. If you take too many sleeping pills you're just gonna fall asleep before you take the Tylenol and it won't work	Michelle	SMS Messages
7/6/14 12:21 AM	Incoming	From: 7746788888 Conrad Roy	well if I fall asleep it's not the end of the world, it means that I can take less and fall asleep and still take the Tylenol	Michelle	SMS Messages
7/6/14 12:21 AM	Incoming	From: 7746788888 Conrad Roy	but once I take the Tylenol I'm fucked	Michelle	SMS Messages

7/6/14 12:26 AM	Outgoing	To: 7746788888 Conrad Roy	If you wanna do this, 10 benedryls and then wait 10 mins then take all the Tylenol	Michelle	SMS Messages

7/6/14 1:18 AM	Outgoing	To: 7746788888 Conrad Roy	Stop reading that stuff, you're taking over the lethal limit anyways so you'll die quickly. And that's Yahoo so a lot of people don't know what they're talking about, they aren't experts. If you do it now you won't be found because that's like 7 hours til work. And yeah you have tomorrow but it's just gonna be the same thing over again	Michelle	SMS Messages
7/6/14 1:21 AM	Outgoing	To: 7746788888 Conrad Roy	If you don't wanna do this, don't do it! I just know you'll always be thinking about it and you're just gonna get worse if you don't get help. But reading shit like that isn't helping and most of it isn't reliable. Everyone's bodies react differently. You did this before and almost died if you didn't get found, so it's proven to work. 7/11/14 6:59 PM	Outgoing	To: 7746788888 Conrad Roy	I think your parents know you're in a really bad place. Im not saying they want you to do it, but I honestly feel like they can except it. They know there's nothing they can do, they've tried helping, everyone's tried. But there's a point that comes where there isn't anything anyone can do to save you, not even yourself, and you've hit that point and I think your parents know you've hit that point. You said you're mom saw the suicide thing on your computer and she didn't say anything. I think she knows it's on your mind, and she's prepared for it	Michelle	SMS Messages
7/11/14 7:00 PM	Outgoing	To: 7746788888 Conrad Roy	Everyone will be sad for a while, but they will get over it and move on. They won't be in depression I won't let that happen. They know how sad you are and they know that you're doing this to be happy, and I think they will understand and accept it. They'll always carry u in their hearts	Michelle	SMS Messages

7/19/14 1:46 PM	Outgoing	To: 7746788888 Conrad Roy	I just went to your funeral. It was beautiful. Your uncle made a wonderful and heartfelt eulogy about you. He talked about all the good times and memories, and then mentioned how you were struggling at some points. We all knew you needed help, and I'm so sorry I didn't do enough. I'm sorry I let you do this I should of stopped you. I miss you so much. I wish you could have seen how many people loved and cared about you, maybe then you'd still be here. I told your mom I would come over and hangout with Camdyn and Morgan. I'll do that soon. I also went to Kmart and put flowers and a shell down at your memorial, because we first met in Florida. And your life was the ocean, so I thought it was nice. Read the message I wrote on it☐ Today I said goodbye to you, but it wasn't forever. I love you so much. I'm smiling up at you, do you see me? You're my guardian angel, I know you're smiling back like you said	Michelle	SMS Messages

7/21/14 10:03 PM	Outgoing	To: 7746788888 Conrad Roy	Conrad I am so sorry for everything. Your mom loves you so much and I should of got you help sooner I'm so sorry. I didn't think you were actually gonna do this I didnt belive you when you said you were gonna do it I honestly didn't believe you I'm so sorry. I was supposed to save you and prevent you from doing this and everything we talked about made it seem like I wanted you to do this but I didn't! I loved you more than anything else in this world. I was saying that stuff to try to make you realize how stupid you were being so you wouldn't do it! Why did you really do it Conrad ?! I love you so much I miss you everyday. I'm so sorry	Michelle	SMS Messages
7/21/14 10:06 PM	Outgoing	To: 7746788888 Conrad Roy	The day you did it I thought you were kidding and I was about to call your mom the next day to get you help because I couldn't stand seeing you in so much pain! If you waited one more day you would be here. If I fucking got you help one day sooner you would be here. Its all my fault I'm so sorry babe I'm never going to forgive myself ever. I didn't think you were serious you told me you would never do it! I knew you wouldn't do it either but you did and I'm so sorry I waited too long.	Michelle	SMS Messages
7/21/14 10:08 PM	Outgoing	To: 7746788888 Conrad Roy	You should be here right now. You're the love of my life I thought we would be together forever. I don't understand why you left me like this! It still doesn't seem real	Michelle	SMS Messages
7/21/14 10:15 PM	Outgoing	To: 7746788888 Conrad Roy	I never tried harder to save someone than I tried to save you. I tried telling you not to do this every day, but every day you wouldn't listen and were just in so much pain. I should have gotten you more help than you were receiving, I knew that therapist wasn't enough. But every time I said I'd bring you to a mental hospital, you refused and I just I'm so sorry Conrad. I read this thing online about trying to agree with the person and that would make them change their mind because they see how stupid they're being. But it didn't work for you and I did it for too long. You probably thought I was okay with it and You talked about being in heaven and being my angel and at the time I went along with it because i knew you weren't gonna do anything. But you fucking did it and I'm so sorry I didn't save you. I tried so hard I loved you so much. You'll forever be in my heart Conrad	Michelle	SMS Messages
